Second Day of the Fall Trotting Meeting.

Billy Ray the Winner of the 2:31 Purse, and the 2:26 Race Postponed After Four Heats.

PHILADELPHIA, Pa., Oct. 13, 1875. The second day of the fall trotting meeting at Point Breeze Park was far more successful than the first. The weather was of that nature as to render a prolonged stay upon the grounds not unpleasant, while the track was in fair condition and the attendance large. Many carriages were in the field and the club house balcony contained a liberal sprinkling of handsemely dressed ladies. There were two races on the programme-the first for horses of the 2:31 class, which was won in three straight heats by the roan gelding Billy Ray. The result was entirely unexpected by the fraternity of betting men, and they lost heavily by the defeat of the chestnut gelding Lookout. Billy Ray showed such a burst of speed and cut down his competitors so cleverly in the third heat that much attention was given him by horsemen generally. He is owned by Mr N. G. Ray, of Knoxville, Pa., is seven years old, sixteen hands high, and was sired by Wood's Hambletonian, dam a New York Black Hawk mare. The second event was the 2:26 purse, which, after four heats, was postponed until to morrow. The first heat was won by Ella Madden in 2:26%, then Joe Brown was redited with the second and third in 2:27% and 2:29%, when Nellie Walton captured the fourth in 2:30%. There is much money in the box on this race, and it would not be surprising to see Annie Collins come to the front upon the renewal of the contest and mix matters still worse, as there is no doubt that she possesses great turn of speed and has staying qualities of the

The first event on the programme was the purse of \$2,000, for horses that never trotted better than 2:31; nile heats, three in five, in harness; \$1,000 to the first, \$500 to the second, \$300 to the third and \$200 to the burth horse. Of thirteen entries there came to the score N. G. Ray's roan gelding Billy Ray, J. P. Gilbert's black mare Little Dorrit, Mike Carroll's black gelding Seneral, J. H. Phillips' bay gelding Jericho (formerly Sleepy Jerry), M. H. Whipple's chestnut golding Look-sut, A. A. Snyder's chestnut stallion Andrew, W. M. Hughes' sorrel mare Little Mary and J. H. Goldsmith's brown mare Lottie. Before the start the pools aversged:-Lookout, \$100; Billy Ray, \$45; field, \$75. The word was given at the third trial, with General the best of it, Billy Ray second and the rest well together. Seneral kept his advanced position until the half-mile tole was reached when Billy Ray went to the front, and passed under the wire the winner of the heat by me length in 2:31. General was second, Little Mary third, Andrew fourth and the others as per summary. Pools now averaged :- Billy Ray, \$110; field, \$100. A sollision between the sulkies of Andrew and General, resulting in the breaking of the latter, caused consucrable delay. At the sixth trial they got away, with Jericho two lengths in front, Andrew second, Billy Ray third and the others following in a bunch. Ray took the tead on the turn, and at the quarter pole was four lengths ahead of Jericho, Little Mary third and the rest strung out in Indian file. From this point Billy Ray had it all his own way, and passed under the wire the winner of the heat by seven lengths in 2:30%. Little Mary finished second, but was placed third for running, Andrew being given second position, the rest as per summary. Billy Ray was the favorite, 4 to 1 over the field. The word was given to a miserable start, Lookout being two lengths in front and the favorite among those in the rear. On the turn Lookout drew tway five lengths, and at the quarter pole had it as he pleased. Billy Ray here left his leet, and, before being caught, dropped back last, where he remained until the half-mile pole was reached, with Lookout leading six lengths. Here Ray had settled, and, being called upon by his driver, began picking them up one after another, until at the three-quarter pole he had collared Lookout, and Lattle Dorrit also challenging for the lead a grand tussic ensued between these three. Down the stretch the fight continued, and one of the best struggles over seen on any track ended with Billy Ray going under the wire the winner of the heat and race by a head in 2:31. Lookout was second, Little Mary third, Andrew fourth, Little Dorrit fifth, General sixth, Lottle seventh and Jerieno eighth. Andrew was awarded second money, General third and Lookout fourth.

Second on the programme was the purse of \$2,000, for horses that never beat 2:26, same conditions as the first event; \$1,000 to the first, \$500 to the second, \$300 to the third and \$200 to the fourth horse. Of the nine entries seven responded to the bell, these being Daniel Jenkins' gray stallion Joe Brown, J. H. Phillips' bay mare Elia Madden, John Trout's bay stallion Sir William Wallace, John L. Doty's bay gelding Barney Kelly, W. E. Weeks' gray gelding Royal George, Ben Mare's bay mare Aelie Wallon and W. H. Crawford's brown mare Annae Colline.

First Heat.—The pools averaged.—Nellie Wallon, \$500, the Daniel Barney Stallion and W. H. Crawford's brown mare Annae Colline. strung out in Indian file. From this point Billy Ray had it all his own way, and passed under the wire the

Around the turn Barney Kelly showed in front, and at the quarter pole; in 39; seconds, was two lengths in advance, Madden second, Sir William third Neilie Walton fourth, Joe Brown fifth, Royal George eixth and Annie Collins hast. Along the Sackstretch Ella Madden challenged Kelly for the lead and after a sharp tursle collared him at the half-mile pole, which they passed head and head in 112%. Sir William Wallace was third at this point, Nellie Walton fourth and the others as sefore. Ella Madden gave Barney Kelly the go-by on the lower turn, and caused him to leave his feet, the sace was so bot, and at the three-quarter pole Ella was the length ahead, Sir William Wallace second, Joe Brown third, Barney Kelly fourth, and the rest without material change. Swinging into the stretch Trout sent Sir William to Madden's wheel, and did his utmost o assume the post of honor, but Phillips called for notes steam from Ella, and gallantly responding she anded the winner of the heat by one length, Sir William Wallace second, Joe Brown third, Barney Kelly ignirth, Royal George fifth, Nellie Walton sixth, and Armie Dollins last. Time, 225%.

Around the turn Joe Brown ferew away from the rest, and at the quarter pole, in 37 seconds, was two lengths in advance, Sir William Wallace second, Nellie third, Barney Kelly fourth and the rest stragging some distance in the rear. Along the backstretch Sir William was called upon by Tront, and, at once responding, he went up to the wheel of Brown and stack there despite all Jenkins rould do to shake him of. It this manner they swung into the stretch and, coming home, a fine tusale ended with Joe Brown going under the wire the winner of the heat by one length, Sir William Wallace second, two lengths in front of Barney Kelly, Neihe Walton fourth, Reyal George fifth, Elia Madden sixth and Annie Collins tast.
